

Protocol for changing Google Profile Picture

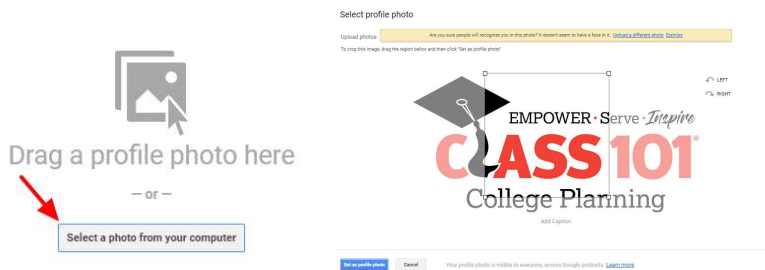

1. Open Google Chrome.
2. Be sure you are signed in to your myclass101.com account.
3. Select the icon representing your account in the top right corner of the screen.

4. In the widget that opens, select the photo icon.

5. Select an image to upload to your profile.
6. Make sure the image is aligned properly.

7. Choose Set as profile photo.
